THE SMARTER WAY TO OWN

Advertise

Every visitor to the FL Expo 2009 will receive a complimentary showguide.

With a print run of 15,000 copies, advertising in this full colour pocket sized programme dedicated to fractional ownership is THE way to target your audience, raise awareness and drive enquiries to your stand. Alternatively, it's the perfect and low cost way to generate enquiries from the fractional audience if you're not planning on exhibiting at the show.
